

Equipment Register

Record all equipment entering the production area and ensure biosecurity declarations are completed before the equipment is allowed on-farm.

Date	Equipment	Company	Name of Person Bringing Equipment On-Farm	Equipment Location History <i>Where has the equipment been, and how many days ago was it last used on another poultry, pig, or housed-animal farm?</i>	Decontamination Declaration		On-Farm Decontamination Prior to Use <i>If further cleaning or disinfection was required upon arrival, record the activities carried out before use.</i>	Signature <i>I confirm that the declarations are true.</i>
					Has the equipment been thoroughly cleaned and disinfected prior to entering this farm?
